NOVEL QUESTION UNDER INHERITANCE TAX LAW Is Wife or Widow of Son of Testato Who Remarries Exempt.

Who Remarries Exempt.

A novel question has arisen in connection with the administration of the inheritance tax liw. It refers to the position, age regards exemption and the rate of tax, of the wife or widow of a son of the testator, who remarries. During the many years the law has been in force the question has never began to attorney General George E. Hinman, who has given an opinion that the woman must be considered, for the purposes of taxation, as a stranger to the blood.

A novel question has arisen in force the question to Attorney General George F. Hyde, will be a submitted the question to Attorney General George E. Hinman, who has given an opinion that the woman must be considered, for the purposes of taxation, as a stranger to the blood.

A novel question has arisen in the undertaking rooms of C. A. Gager, Jr., and viewed the dead day visited the undertaking rooms of C. A. Gager, Jr., and viewed the dead the complete the body of the man found Sunday night along the road in Montville on the New London turnpike, He found that the want has been in force the question has never began to the dead the road in Montville on the only wound or mark on the man had been goused out but the skull had not been penetrated so as to reach the brain. The theory is that the man was struck by an automobile or motorcycle, but this cannot be ascertained definitely.

There is a possibility that the maning the highest respect of all. He is a strucked to the opinion of the attorney general a wife or a widow of a son, in case she does not recorder that the man had been of a son, in case she does not recorder that the man had been of a son, in case she does not recorder that the man had been of a son, in case she does not recorder that the man had been of a son, in case she does not recorder that the man had been of a son, in case she does not re-

lineal descendants, and her inherit-ance is subject to a tax of 1 per cent, and she is entitled to an emption of \$3,000. When she comes a stranger by remarriage she must pay a tax of 5 per cent. on her inheritance, and the exemption

has arisen.

The treasury department continues to be kept unusually busy with the work on the investment tax. Miss Charlotte E. Dubois of Hartford has been added to the temporry clerical force of the office, and it is thought that additional assistants will be required. Every Schmidt—Alexander.

The marriage of Charles J. Schmidt and Miss Charlotte Ann Alexander, both of Norwich, took place in New Bedford on Thursday, Sept. 16. The ceremony was performed by Rev. Hencry Reumann. The grom, who is a weaver, is a native of this city, and is the son of John Schmidt and Mary Bayreuther. The bride was born in Oldham, Lancashire, England, and is the daughter of Thomas Alexander and Mary Ashworth.

Incidents in Society

Edward Gallaudet has entered Worcester academy.

Arthur Brewer Norton spent the week end at Eastern Point.

Mr. and Mrs. Zebulon R. Robbins and four large estates in the lower part in the lower part in the containing lists of securities belonging to estates. It is quite likely that officials of towns may be taking an interest in the operation of the law passed at the last session by which a tax of two mills per annum was levied on estates of deceased persons on which the investment persons on which the investment of the tax had not been paid for five years shall be paid to the towns. This is an incentive to town officials to discover the securities which have escaped taxation. It is unlikely that any estate in the future will escape the payment of the tax as there is a provision in the law of 1915 which prevents the settlement of any estate in the settlement of an

It is believed there are three It is believed there are three or four large estates in the lower part of Fairfield county and in New Haven county on which the tax of ten per cent, for the five years preceding the death of the decedent must be paid before there can be a legal settlement of the estates. This means that in each instance ten per cent, of the estate will be paid into the state treasury. the state treasury.

AT DAVIS THEATRE. Vaudeville and Photoplays,

Two of the largest Monday houses of the season were at the Davis theatre this week, where the picture feature was the six reel film The Blindness of was the six reel film The Blindness of Virtue, which conveys a present day lesson particularly to mothers and daughters. In the feature roles are Edna Mayo and Bryant Washburn.

The vaudeville bill offered an attractive novelty in the singing sketch called A Tenement Flirtation, in which the well rendered musical numbers reveal a remarkable male soprano voice which carries the prison scene from II which carries the prison scene from II Trovatore which wins a burst of ap-plause. The other member of the ctst is a tenor, and they are heard both in pleasing solos and duet numbers.

Carpenter Fell 50 Feet to Death Waterbury, Conn., Sept. 20.—Max Mutterperl, employed by the Chase Metal works as a carpenter, fell from a new factory building in Waterville today and was killed. He fell a dis-tance of 50 feet and landed on his head. His skull was crushed in and his neck was broken his neck was broken.

It is said that one pound of coal burned under the boilers in the big power house of the Interboro Rapid Transit Co. in New York, will carry

Work for First Patients Will be on Raising Dam for

The inmates will first be employed on the construction of a hospital dam, the last general assembly having granted an appropriation to the state hospital for the enlargement of the water supply. The trustees are of the opinion that the inebriates will earn in the construction of this dam and the work on the reservoir more than eaough to repay the state for all the expenditures in the remodeling of the buildings, etc.

Following the completion of the work on the hospital dam, it is planned to employ the inebriates around the farm and in the improvement of highways in neighboring towns. With this end in view, arrangements have partially

struck, thinking that he had cleared

The coroner has written to the New York address found on a pawn ticket in the man's pocket. He has hopes that this may help to establish who the dead man is. So far there has been no clue secured as to what automobile, if any, struck and killed him.

SCIENCE BUILDING COMPLETED New London Hall Will Be Turned Over to College Authorities Next

During the coming week New Lon-don half of the Connecticut College buildings will be turned over to the college authorities. This building. college authorities. This building, New London hall, the scence building, named in recognition of the aid given by the citizens of New London to-wards the founding of the college, and the first of the group of buildings to be erected, is now complete, but in order that the paint may be thorough-by dried before the installation of the or aried before the installation of the various equipments which will be used in the several laboratories in this building, it will be closed for a few days, after which it will be formally accepted by the college.

This building, which is in the do-mestic Tudor style, constructed of the granite quarried from the estate, as are the two dormitories, Plant house and Blackstone house, will be used for the teaching of the chemical and biological sciences as well as for the classes in hygiene and dietetics. As some of the laboratogies will not be required during the first year, they will be used for departments of the college other than scientific work and will be used for departments of the college other than scientific work and temporarily for the administrative offices of the college. Also in this building will be found the studios for drawing and design, coramics and photography. An added feature to this building will be the green house for the study of plant morphology under the direction of Professor Ostourn who will also instruct the class burn who will also instruct the class es in zoology, physiology and biology. The library, the foundation of which was made by the most gener-ous gift of Mrs. Thomas Harland of Sentry Hill, Norwich, a private li-brary of 2,000 volumes, known as the Thomas Hariand Memorial library, will be temporariy housed in New London hall, under the direction of

will be temporarly housed in New London hall, under the direction of Miss Davis, the librarian.

Another of the college buildings which is rapidly nearing completion is the refectory, known as Thames hall, on Mohegan avenue, the southern end of which will be the quarters of President Sykes. The spacious dining room on the first floor has a large fire place built of smooth round gtones in the style of those found in the log cabins of the early settlers, giving a homelike touch to an otherwise rather severe interior. Opposite is a row of mullioned windows with a view of sloping fields and the river in the distance. On the floor above the dining room are several suites for the housing of members of the faculty. Professor Nys, instructor in creek and Latin, Professor Barr, instructor in English and philosophy, and Professor Woodhudd instructor in bygiene and physical education, will be located there during the coming term. On the ground floor of Plant bouse, the furnishing of which is about completed, the masical studios will be located. Mr. Weld, the instructor in voice technique, who will spend two days a week at the college will have happily combined business and R. Burnham. These two seemed to have happily combined business and R. Burnham. These two seemed to have happily combined business and R. Burnham. These two seemed to have happily combined business and religion, to the manifest advantage of both. They were both spood men. To be good is to be great. It is a great thing to be good.

as church deacon and treasurer, he was, in his day, one of the fine leaders of the old church life. The First church and Deacon Lewis Hyde were

almost synonymous. At least, the mention of the one always recalled the other. The writer first knew him 30 years ago, when he was just passing his prime. His business did not prevent him from interesting himself personally in the moral and religious welfare of many and many a fellow townsman. His activity in seeking to save was one of the first distinct impressions one of the first distinct impressions made upon the writer. His thoughts went out into all the world. He gave freely as long as he was able, of time and money to the getting of God's will done on earth. The Sunday School association of the state, and the American board of the country enlisted his sympathles and his prayers and his activities for many, many years.

In recent years, the faflure of health kept him largely away from public notice, but not from the thoughts and good wishes of his many friends. And now he has followed, only too soon, into the larger life that other good Norwich citizens, with whom he was so often a co-worker in religious bus-

Norwich citizens, with whom he was so often a co-worker in religious business, and whom he in life and character strongly resembled—Waterman R. Burnham. These two seemed to have happily combined business and religion, to the manifest advantage of both. They were both good men. To be good is to be great. It is a great thing to be good.

OBITUARY

Lewis Andrew Hyde Lewis Andrew Hyde for pearly 60 years treasurer of the First Congregational church, Norwich Town, and widely known in this city because of his religious activity, died at his home No. 268 Washington street Monday morning about 2:30 o'clock. Mr. Hyde's advanced years gradually breught about failing bealth and although his death was rather sudden yet it was not unexepected. Mr. Hyde was able to be up to within a abort time and about two weeks ago he enjoyed a visit to Atlantic beach. Lewis Andrew Hyde was the son of Lewis and Mary Backus Hyde and was born in Yantic an August 8, 1826. After gradualing from the schools at Norwich Town and Bacon academy he became a clerk in the drygoods store

LEWIS ANDREW HYDE.

church and for nearly three score years he was the church treasurer. For many years he had been superintendent of the Sunday school. As a corporate member of the American Board of Missions he was the oldest member in the state and he always evinced much interest in Y. M. C. A. work. Previous to the organization of the association he was identified with others in connection with a young men's club. Mr. Hyde served on the committee which formed the Connecticut Sunday school association and was secretary of the first meeting of the State Sunday school convention. He presided at the first Y. M. C. A. convention ever held in this state and served on the religious work committee of the Y. M. C. A. for three years.

For nearly two score years Mr. Hyde was clerk and treasurer of the old Fourth district school board, holding this position until the consolidation of the town schools three years ago.

Mr. Hyde was three times married, first to Anna Webster, then to Mary E. Huntington, and lastly to Harriet S. Fuller, all deceased. Mr. Hyde is survived by six children, Mrs. Herbert L. Yerrington, 'Miss Susan C. Hyde, Miss H. Louise Hyde, George F. Hyde,

the Rev. Charles A. Northrop writes: The death, on Monday morning, of

The death, on Monday morning, or Lewis A. Hyde, removes from a wide and varied circle of friends, in all sta-tions of life, one of Norwich's oldest and best citizens.

To those who knew him, he was always the courteous gentleman, attentive to business, interested in both church and state.

All his life of 89 years has been spent in this vicinity, mostly in this town. A long life of quiet, unostentation and good deeds, performed world-wide, attests the sincerity of his Christian profession, and leaves delightful and pleasant memories in the minds of all who were fortunate enough to know him well nough to know him well. He did not seek public office. He was content to serve the people as a private citizen, essaying to live nobly. The offices he did hold, aside from his business in connection with Norwich banking interests, were held in trust for the public. Whether he was asso-ciated with the board of education of the old town, or with the affairs of the First Congregational church, he served long and faithfully at each task. As superintendent of the First church Sunday school for untold years.

How To Keep Face

Young and Attractive The way to ward off old age is not to fear it, not to allow one's self to be oppressed by the dread of advancing years. Use only legitimate preventives and avoid trying experiments with preparations not indorsed by physicians. An entirely safe and very effective way to keep the complexion young-looking and beautiful is to apply ordinary mercolized wax at bedtime, using it like cold cream, washing it off in the morning. This gradually absorbs the withered, faded cutiele, which is replaced by the more youthful, pink-tinted underskin. One ounce of this wax, to be had at any drug of this wax, to be had at any drug store, is enough to completely rejuvenate a worn-out complexion.

Crow's feet and other wrinkles, the first signs of advancing age, may be among the signs of advancing and the camoved by a simple, harmless preparation made by dissolving an ounce of powdered saxolite in a half pint witch hazel. It is used as a face bath.—National Hygienic Review.
